MATLAB WORKSHOP

7th February 2016

A one-day free workshop on MATLAB was held on 7th Feb'16 at UIET, Chandigarh organised by IEEE UIET Student Branch and CETPA.

In the first session of MATLAB workshop, basic tools of MATLAB software were explained with the help of some simple examples. After the lunch, second session was conducted where the students were given practical explanation with the free MATLAB tool kit trial. Students from all the streams participated in the workshop in good number.
